

# Ink Remover

## K-Supply

K-Supply Ink Remover is a rubber blanket detergent for cleaning, conserving and regenerating ink rollers and rubber blankets on conventional printing presses. This product, tried and tested at the Komori Graphic Center Europe, has proven to be highly effective for all conventional printing presses.

### Benefits

- High solvent power.
- Free of aromatic compounds.
- Easy to use.
- Water compatible.

### Processing information

Put K-Supply Ink Remover on a clean wash cloth and clean the rollers and/or rubber printing blankets.

#### Directions for Use:

For details, please refer to the safety data sheet.
