

Metering Roller Cleaner MRC-Lo

Prisco

K-Supply

K-Supply Metering Roller Cleaner MRC-Lo is a solvent, formulated for use of cleaning rubber rollers in the dampening system. This cleaner removes ink, glaze, grease and other contaminants from rubber metering rollers, while returning the rollers' surface to a more resilient, water-receptive state.

Benefits

- Very fast drying.
- Efficient removal of conventional inks.
- Contains no chlorinated hydrocarbons.
- Mild odour and strong degreasing power.
- Metering Roller Cleaner MRC-Lo is approved for usage on K-Supply dampening rollers.
- Reduces ink receptivity.

Directions

Apply Metering Roller Cleaner MRC-Lo to clean cloth. Wipe the metering roller to remove gum, glaze, ink and paper glaze. Allow Metering Roller Cleaner MRC-Lo to dry thoroughly.

Read MSDS before using this product.

Specifications

Product name	Metering Roller Cleaner MRC-Lo by Prisco
Application	For conventional inks.
Packaging	1 Ltr Can or 5 Ltr Can
