

Metering Roller Cleaner H-UV

Prisco

K-Supply

K-Supply Metering Roller Cleaner H-UV is a fast drying, strong cleaner for metering rollers used with UV, H-UV and H-UV-L inks. The product is designed to deep clean metering rollers and return them to optimum printing condition.

Benefits

- Water miscible - de-lint and de-glaze during soil removal,
- Reduces ink receptivity when used in combination with K-Supply Metering Roller Cleaner for dampening.
- Prolongs roller life.

Directions

Apply the Metering Roller Cleaner H-UV to a clean wash cloth, then wipe the Metering Roller. Reapply as needed. A water rinse may be needed. For achieving the best results, finish cleaning with Metering Roller Cleaner for dampening.

Read MSDS before using this product.
